Road to Nowhere

Talking Heads

Well, we know where we're goin'
But we don't know where we've been
And we know what we're knowin'
But we can't say what we've seenAnd we're not little children
And we know what we want
And the future is certain

Give us time to work it outWe're on a road to nowhere

Come on inside

Takin' that ride to nowhere

We'll take that rideI'm feelin' okay this mornin'

And you know

We're on a road to paradise

Here we go, here we go

We're on a ride to nowhere

Come on inside

Takin' that ride to nowhere

We'll take that rideMaybe you wonder where you are

I don't care

Here is where time is on our side

Take you there, take you thereWe're on a road to nowhere

We're on a road to nowhere

We're on a road to nowhereThere's a city in my mind

Come along and take that ride

And it's all right, baby it's all rightAnd it's very far away

But it's growing day by day

And it's all right, baby it's all right

Would you like to come along?

And you could help me sing this song

And it's all right, baby it's all rightThey can tell you what to do

But they'll make a fool of you

And it's all right, baby it's all rightThere's a city in my mind

Come along and take that ride

And it's all right, baby it's all rightAnd it's very far away

But it's growing day by day

And it's all right, baby it's all rightWould you like to come along?

You could help me sing this song

And it's all right, baby it's all rightThey can tell you what to do

But they'll make a fool of you

And it's all right, baby it's all rightWe're on a road to nowhere

We're on a road to nowhere

We're on a road to nowhere

We're on a road to nowhere
