

Fat Lip

Sum 41

Storming through the party like my name was El Nino
When I'm hanging out drinking in the back of an El Camino
As a kid, was a skid, and no one knew me by name
I trashed my own house party 'cause nobody came I know I'm not the one you thought you knew
back in high school
Never going, never showing up when we had to
Attention that we crave, don't tell us to behave
I'm sick of always hearing act your age I don't wanna waste my time
Become another casualty of society
I'll never fall in line
Become another victim of your conformity
And back down
Because you don't
Know us at all, we laugh when old people fall
But what would you expect with a conscience so small?
Heavy Metal and mullets it's how we were raised
Maiden and Priest were the gods that we praised 'Cause we like having fun at other people's
expense
And cutting people is just a minor offence then
It's none of your concern, I guess I'll never learn
I'm sick of being told to wait my turn I don't wanna waste my time
Become another casualty of society
I'll never fall in line
Become another victim of your conformity
And back down Don't count on me to let you know when
Don't count on me, I'll do it again
Don't count on me, it's the point you're missing
Don't count on me 'cause I'm not listening
Well I'm a no goodnick lower middle class brat
Back packed and I don't give a shit about nothing
You be standing on the corner talking all that kuffin
But you don't make sense from all the gas you be huffin
'Cause if the egg don't stain you'll be ringing off the You're on the hit list, wanted in the
telephone book
I like songs with distortion, to drink in proportion
The dentist said my mom should've had an abortion I don't wanna waste my time
Become another casualty of society
I'll never fall in line
Become another victim of your conformity
And back down Waste my time with them
Casualty of society
Waste my time again

Victim of your conformity
And back down
