

I've got my groove on, and I'm ready to go
Check out my ride girl, but don't touch my radio
Don't you know, pump it up
You've got to pump it up
Don't you know pump it up
You've got to pump it up
Don't you know, pump it up
You've got to pump it up
Don't you know pump it up
You've got to pump it up
Don't you know, pump it up
You've got to pump it up
Don't you know pump it up
You've got to pump it up
Don't you know, pump it up
You've got to pump it up
Don't you know pump it up
You've got to pump it up
And make me feel good, feel so good
And make me feel good, feel so good
