(Uh huh, mm hmm)
Y'all boys don't know nuttin' 'bout me
(Mm hmm, uh huh)
Ya heard? Ladies and gentlemen I'm a T.C. soldier, New Orleans stunna
If a bitch leave me, I'ma take everything from her
Leave while ya can, or ya mom will pick ya rum up
I'ma find me some new pussy and buy a Four-Runner
I walk with a limp, 'cause my nuts heavy
And I like it from the back so hold your butt steady
I know I got some big lips, but I ain't trippin'
And mamma I love pussy, but I ain't lickin'
Now prepare yourself for a smooth dickin'
You don't want it girl? You don't know, what you missin' I'm the baddest boss nigga walkin',
you ain't heard?
I got a team of head busters waitin' to give 'em the word
I gotta few in the East Coast, a few in the West
Down-South to Mid-W, whattup to the rest
Can't forget about the ghetto where they strugglin' in debt
No matter what I do dawg, I love my set, ladies and gentlemen Wodie, wassup, Wodette,
