

# Touch

## Haux

Cutting the cold  
Of when we met  
Burning our lungs With a cigarette  
And I don't know why you said  
"I'm not afraid  
Of running away with you  
And all your pain." 'Cause when we touch, touch, touch  
I feel you blush, blush, blush  
Close your heart up, up, up  
Breaking me down, down, down  
'Cause when we touch, touch, touch  
I feel you blush, blush, blush  
Close your heart up, up, up  
Breaking me down, down, down  
Remember us now (remember us now)  
And don't forget (and don't forget)  
Swallow your pride (swallow your pride)  
That's what you meant (that's what you meant)  
And I don't know why you said (I don't know why)  
You're not afraid (you're not afraid)  
Of running away from me (of running away)  
From the bed we made (the bed we...) 'Cause when we touch, touch, touch  
I feel you blush, blush, blush  
Close your heart up, up, up  
Breaking me down, down, down  
'Cause when we touch, touch, touch  
I feel you blush, blush, blush  
Close your heart up, up, up  
Breaking me down, down, down  
'Cause if we fell in love  
If we had enough  
Would you let me go  
Would you let me go  
'Cause if we fell in love  
If we had enough  
Would you let me go  
Would you let me go 'Cause if we fell in love  
If we had enough  
Would you let me go  
Would you let me go  
'Cause if we fell in love  
If we had enough

Would you let me go  
Would you let me go 'Cause when we touch, touch, touch  
I feel you blush, blush, blush  
Close your heart up, up, up  
Breaking me down, down, down  
'Cause when we touch, touch, touch  
I feel you blush, blush, blush  
Close your heart up, up, up  
Breaking me down, down, down 'Cause when we touch, touch, touch  
I feel you blush, blush, blush  
Close your heart up, up, up  
Breaking me down, down, down  
'Cause when we touch, touch, touch  
I feel you blush, blush, blush  
Close your heart up, up, up  
Breaking me down, down, down I'm still in love  
Of when we met  
With heaviest hearts  
We were a silhouette
