

Coma

Big Thief

He put her in
To get out, to get out
He kissed her skin to get off
To get off
Off
You can wake up now, mamma
From your protective coma
When you wake up
You wake up
You won't recognize your house
You won't recognize your house
Will you recognize the
Iris of the body?
Iris of the body?
You won't recognize your house
You won't recognize your house
Will you recognize the
Iris of the body?
Iris of the body?
You won't recognize your house
You won't recognize your house
Will you recognize the
Iris of the body?
Iris of the body?
You won't recognize your house
You won't recognize your house
You won't recognize your house
You won't recognize your house
You won't recognize your house
