

# COOL

## Le Youth

As long as you're cool  
Right here is where you wanna be  
As long as you're cool  
Baby tell me how you like it As long as you're cool  
Here is where you wanna be  
As long as you're cool  
Baby tell me how you like it Now it's me and you now  
I've been waiting  
Think I wanna make that move, now  
Baby, tell me if you like it  
Tell me if you like it It's me and you, now  
I've been waiting  
Think I wanna make that move, now  
Baby, tell me how you like it  
As long as you're cool  
Right here is where you wanna be  
Baby tell me... Baby tell me...  
Right here is where you wanna be  
Baby tell me... Baby tell me...  
It's me and you It's me and you I've been waiting for you  
Baby, tell me if you like it Tell me if you like it  
It's me and you, now  
I've been waiting  
Think I wanna make that move, now  
Baby, tell me how you like it  
Now it's me and you  
Now Now it's me and you  
Now  
Girl I wanna make that move  
Now
