

Dark Ages

Yngwie Malmsteen

"In the time, when darkness ruled
No one saw the light
In the cold black emptiness
Victims of the night You can't fight what you can't see
To be or not to be In the dark ages
In the dark ages Those evil days will still remain,
Till someone breaks the chains.
Just the strong survive,
You have to try, or you will die.
In the Dark ages
In the Dark ages
"
