

# Put Your Dreams Away

Frank Sinatra

Put your dreams away for another day  
And I will take their place in your heart  
Wishing on a star never got you far  
And so it's time to make a new start  
When your dreams at night fade before you  
Then I'll have the right to adore you  
Let your kiss confess this is happiness, darling  
And put all your dreams away  
When your dreams at night fade before you  
Then I'll have the right to adore you  
Let your kiss confess this is happiness, darling  
And put all your dreams away
