

# Call Your Girlfriend

Robyn

Call your girlfriend  
It's time you had the talk  
Give your reasons  
Say it's not her fault  
But you just found somebody new Tell her not to get upset, second-guessing everything you  
said and done

And then when she gets upset tell her how you never mean to hurt no one  
Then you tell her that the only way her heart will mend is when she learns to love again

And it won't make sense right now but you're still her friend

And then you let her down easy Call your girlfriend

It's time you had the talk

Give your reasons

Say it's not her fault

But you just met somebody new

Don't you tell her how I give you something that you never even knew you missed

Don't you even try and explain how it's so different when we kiss

You tell her that the only way her heart will mend is when she learns to love again

And it won't make sense right now but you're still her friend

And then you let her down easy Call your girlfriend

It's time you had the talk

Give your reasons

Say it's not her fault

But you just met somebody new

And now it's gonna be me and you And you tell her that the only way her heart will mend is  
when she learns to love again

And it won't make sense right now but you're still her friend

And then you let her down easy Call your girlfriend

It's time you had the talk

Give your reasons

Say it's not her fault

Call your girlfriend

It's time you had the talk

Give your reasons

Say it's not her fault

But you just met somebody new
