## **Call Your Girlfriend**

## Robyn

Call your girlfriend It's time you had the talk Give your reasons Say it's not her fault

But you just found somebody newTell her not to get upset, second-guessing everything you said and done

And then when she gets upset tell her how you never mean to hurt no one
Then you tell her that the only way her heart will mend is when she learns to love again
And it won't make sense right now but you're still her friend

And then you let her down easyCall your girlfriend

It's time you had the talk

Give your reasons

Say it's not her fault

But you just met somebody new

Don't you tell her how I give you something that you never even knew you missed
Don't you even try and explain how it's so different when we kiss
You tell her that the only way her heart will mend is when she learns to love again
And it won't make sense right now but you're still her friend

And then you let her down easyCall your girlfriend

It's time you had the talk

Give your reasons

Say it's not her fault

But you just met somebody new

And now it's gonna be me and youAnd you tell her that the only way her heart will mend is when she learns to love again

And it won't make sense right now but you're still her friend And then you let her down easyCall your girlfriend

It's time you had the talk

Give your reasons

Say it's not her fault

Call your girlfriend

It's time you had the talk

Give your reasons

Say it's not her fault

But you just met somebody new
