

# Walking the Cow

Daniel Johnston

Try to remember  
But my feelings can't know for sure  
Tried to reach out  
But it's gone Lucky stars in your eyes  
I am walking the cow I really don't know how I came here  
I really don't know why I'm staying here  
Oh, oh, oh  
I am walking the cow Tried to point my finger  
But the wind was blowing me around  
In circles  
Circles Lucky stars in your eyes  
I am walking the cow  
I really don't know what I have to fear  
I really don't know what I have to care  
Oh, oh, oh  
I am walking the cow
