

# No Regrets

Tom Cochrane

Walking by the roadside  
I see my fate written upon it  
I'm checkin' out the back here  
Where my race is not run  
Might hear a thousand harps of heaven  
Rain down upon her  
I can't stand and watch  
While you stand accused We got no regrets  
Might have seen better times  
But maybe we ain't been there yet  
Remember the good times  
And least you forget  
Have no regrets  
Sometimes you might find  
Like you feel that you're drowning  
Run for cover like some blown out fuse  
Remember one thing that you filed that number  
You can call me up baby you won't be refused Have no regrets  
Might have seen better times  
But maybe we ain't been there yet  
Remember the good times and least you forget  
Have no regrets After all the shit you know we've been through it  
There ain't a shovel big enough in the world  
That can move it  
We got no regrets  
Might have seen better times  
But maybe we ain't been there yet  
Remember who you are don't you forget  
Have no regrets Have no regrets
