

# 100 Letters

## Halsey

How can Midas put his hands on me again?  
He said one day I'd realise why I don't have any friends  
I find myself alone at night  
Unless I'm having sex  
But he can make me golden if I just show some respect  
But I don't let him touch me anymore  
I said "I'm not something to butter up and taste when you get bored  
'Cause I have spent too many night on dirty bathroom floors  
To find some peace and quiet right behind a wooden door"  
He said "Please, don't go away"  
He said "Please, don't go away"  
I said "It's too late"  
I said "It's too late"  
He said "Please, don't go away"  
He said "Please, don't go away"  
I said "It's too late"  
I said "It's too late" And now I can't stop thinking that I can't stop thinking  
That I almost gave you everything  
And now the whole thing's finished and I can't stop wishing  
That I never gave you anything I wrote a hundred letters just for me  
And I find them in my closet, in the pockets of my jeans  
Now I'm constantly reminded of the time I was 19  
Every single one's forgotten in a laundromat machine  
But I don't let him touch me anymore  
I said "I'm not something to butter up and taste when you get bored  
'Cause I have spent too many nights on dirty bathroom floors  
To find some peace and quiet right behind a wooden door"  
He said "Please, don't go away"  
He said "Please, don't go away"  
I said "It's too late"  
I said "It's too late"  
He said "Please, don't go away"  
He said "Please, don't go away"  
I said "It's too late"  
I said "It's too late" And now I can't stop thinking that I can't stop thinking  
That I almost gave you everything  
And now the whole thing's finished and I can't stop wishing  
That I never gave you anything  
And then I can't stop thinking that I can't stop thinking  
That I almost gave you everything  
(I said "It's too late")  
And now the whole thing's finished and I can't stop wishing  
That I never gave you anything  
He said "Please, don't go away"  
He said "Please, don't go away"

I said "It's too late"  
I said "It's too late"  
He said "Please, don't go away"  
He said "Please, don't go away"  
I said "It's too late"  
I said "It's too late"
