I want your body, everybody wants your body, so let's jack.

Let's jack.

I want your body, everybody wants your body, so let's jack.

Come on, let's jack. I want your body, everybody wants your body, so let's jack.

Let's jack.

I want your body, everybody wants your body, so let's jack.

Come on, let's jack. I want your body, everybody wants your body, so let's jack.
