

# Don't Cry for Me Argentina

Patti LuPone

It won't be easy, you'll think it's strange  
When I try to explain how I feel  
And that I still need your love  
After all that I've done You won't believe me  
All you will see is a girl you once knew  
Although she's dressed up to the nines  
At sixes and sevens with you I had to let it happen, I had to change  
Couldn't stay all my life down at heel  
Looking out of the window  
Staying out of the sun  
So I choose freedom  
Running 'round, trying everything new  
But nothing impressed me at all  
Well I never expected it too Don't cry for me, Argentina  
The truth is I never left you  
All through my wild days, my mad existence  
I kept my promise, don't keep your distance As for fortune and as for fame  
Well I never invited them in  
Though it seems to the world  
They were all I desired They were illusions  
They're not the solutions they promised to be  
The answer was here all the time  
I love you and hope you love me  
Don't cry for me, Argentina  
The truth is I never left you  
All through my wild days, my mad existence  
I kept my promise, don't keep your distance  
I kept my promise, don't keep your distance
