

# Cage

## Plumb

I did a really stupid thing  
I really messed up big time  
Please forgive me  
I crash and burn and bleed  
And now I am dead  
Okay, not really  
I know you wanna drag me  
To the ground  
And tell me how I messed up  
And to sit down  
And that's not me  
But it's just my fault  
Don't try to cage me  
Or save me  
I am a wild thing  
I am a creature  
And I need your  
Love for a wild thing  
Well I've got issues  
That's for sure  
But it's why you kinda like me  
I know it boy  
You can't put me in a cage  
You can't put me in a cage  
I am fearless when I see you  
I am crazy happy lucky  
If you're close by  
A basketful of sunshine  
'Til I'm uninspired  
And then I die  
Oh why you wanna pretend  
That I'm fine  
That everything's okay  
One day I'll get it right  
Well that's not me  
And that's all your fault  
Don't try to cage me  
Or save me  
I am a wild thing  
I am a creature  
And I need your  
Love for a wild thing  
Well I've got issues

That's for sure  
But it's why you kinda like me  
I know it boy  
You can't put me in a cage  
You can't put me in a cage Ohh ohh, ohh ohh  
Let me out, let me out Don't try to cage me  
Or save me  
I am a wild thing  
I am a creature  
And I need your  
Love for a wild thing  
Well I've got issues  
That's for sure  
But it's why you kinda like me  
I know it boy  
You can't put me in a cage  
You can't put me in a cage
