

Bullet Blowz

Havana Brown & Kronic

Uh, your body-body until the floor
Your body dance 'til the bullet blowz
Uh, your body-body until the floor
Your body dance 'til the bullet blowz

EVERYBODY JUMP!

I'm about to elevate ya'
You blow, you blow my own
Time for us to celebrate

We go all night long

I'm about to elevate ya'
You blow, you blow my own
Time for us to celebrate

We go all night long

Uh, your body-body until the floor
Your body dance 'til the bullet blowz
Uh, your body-body until the floor
Your body dance 'til the bullet blowz
