

# Empty Space

James Arthur

[Verse 1]

I don't see you  
You're not in every window I look through  
And I don't miss you  
You're not in every single thing I do  
I don't think we're meant to be  
And you are not the missing piece

[Verse 2]  
I won't hear it

Whenever anybody says your name  
And I won't feel it  
Even when I'm burstin' into flames  
I don't regret the day I left  
I don't believe that I was blessed  
I'm probably lyin' to myself, again

[Chorus]

I'm alone in my head  
Looking for love in a stranger's bed  
But I don't think I'll find it  
'Cause only you could fill this empty space  
I wanna tell all my friends  
But I don't think they would understand  
It's somethin' I've decided  
'Cause only you could fill this empty space

[Post-Chorus]  
Space, space

This empty space

Space, space

This—

'Cause only you could fill this empty space

[Verse 3]

I've been drinking  
I've been doin' things I shouldn't do  
Overthinking  
I don't know who I am without you  
I'm a liar and a cheat  
I let my ego swallow me  
And that's why I might never see you again

[Chorus]  
I'm alone in my head

Looking for love in a stranger's bed  
But I don't think I'll find it  
'Cause only you could fill this empty space  
I wanna tell all my friends  
But I don't think they would understand

It's somethin' I've decided  
'Cause only you could fill this empty space[Post-Chorus]  
Space, space  
This empty space  
Space, space  
This—

'Cause only you could fill this empty space[Bridge]  
How could I make you love me?  
How could I make you love me?  
How could I make you love me?  
How could I make you love me?  
How could I make you love me?  
How could I make you love me?  
How could I make you love me? (space, space)  
How could I make you love me?  
How could I make you love me? (space, space)  
How could I make you love me?  
How could I make you love me?  
How could I make you love me?
