

# My Desire

William McDowell, David Binion & Nicole Binion

Lord we come  
With our hearts wide open  
Lord we know  
You have made us one  
Lord  
We are waiting  
Anticipating  
We are creating  
A place for you Lord we come  
With our hearts wide open  
Lord we know  
You have made us one  
Lord  
We are waiting  
Anticipating  
We are creating  
A place for you  
My desire  
Is to see  
A move of God  
A move in me  
My desire  
Is to do  
All the things  
He's showing me  
Let us create  
Create a place  
Release your faith  
Releasing faith  
For God to move  
So we will see  
The power of God  
And we will know  
That he is God  
We open our hearts to you Lord we come  
With our hearts wide open  
Lord we know  
You have made us one  
Lord  
We are waiting  
Anticipating  
We are creating

A place for you My desire  
Is to see  
A move of God  
A move in me  
My desire  
Is to do  
All the things  
He's showing me  
Let us create  
Create a place  
Release your faith  
Releasing faith  
For God to move  
So we will see  
The power of God  
And we will know  
That he is God Let us create  
Create a place  
Releasing faith  
For God to move  
So we will see  
The power of God  
And we will know  
That he is God Let us create  
Create a place  
Releasing faith  
For God to move  
So we will see  
The power of God  
And we will know  
That he is God
