

# The Fallen

## Franz Ferdinand

So they say you're a troubled boy  
Just because you like to destroy  
All the things that bring the idiots joy  
Well, what's wrong with a little destruction? And the Kunst won't talk to you  
'cause you kissed St. Rollox Adieu  
'cause you robbed a supermarket or two  
Well, who gives a damn about the profits of Tesco? Did I see you in a limousine  
Flinging out the fish and the unleavened  
Turn the rich into wine  
Walk on the mean  
The fallen are the virtuous among us  
Walk among us  
Never judge us  
Yeah we're all...  
Up now and get 'em, boy  
Up now and get 'em, boy Drink to the devil  
Death to the doctors!  
Did I see you in a limousine  
Flinging out the fish and the unleavened  
Five thousand users fed today Oh as you feed us  
Won't you lead us  
To be blessed  
So we stole and drank champagne On the seventh seal you said you never feel pain  
"I never feel pain, won't you hit me again?"  
"I need a bit of black and blue to be a rotation"  
In my blood I felt the bubbles burst  
There was a flash of fist, an eyebrow burst  
You've a lazy laugh and a red white shirt  
I fall to the floor fainting at the sight of blood  
Did I see you in a limousine  
Flinging out the fish and the unleavened  
You turn the rich into wine  
Walk on the mean  
Be the magdalen of virgin you've already been You've already been already seen  
That the fallen are the virtuous among us  
Walk among us  
Never judge us To be blessed  
La la la la la la la la la la la la la la la...  
So I'm sorry if I ever resisted  
I never had a doubt you ever existed I only have a problem when people insist on  
Taking their hate and placing it on your name  
So they say you're a troubled boy

Just because you like to destroy  
You are the word, the word is 'destroy'  
I break this bottle, think of you fondly  
Did I see you in a limousine  
Flinging out the fish and the unleavened  
To the whore in a hostel Or the scum of a scheme  
Turn the rich into wine Walk on the mean  
It's not a jag in the arm  
It's a nail in the beam  
On this barren Earth  
You scatter your seed  
Be the magdalan of virgin  
You've already been  
and you've already seen.  
wahoo! wahoo! wahoo! wahoo! wahoo! wahoo! wahoo! wahoo!  
Yeah! You've already been  
you've already seen  
That the fallen are the virtuous among us  
Walk among us  
If you judge us  
We're all damned.
