Ride the Wind

Poison

Hearts of fire

Streets of stone

Modern warriors

Saddle iron horses of chromeTaste the wild, lick the wind

Like something they never saw before

Their jaws dropping to the floor

Steel made of soul and sinAnd rebels born without a care

And the day he listens

Only to fly where eagles dare

And the night she whispers

Ride the wind

Never coming back until I touch the midnight sun

Ride the wind

Never coming back again

Ride the wind

Never coming back until I touch the midnight sunPainted flesh

Loyalty

Humble pride

Just as far as an eye could seeStories told

Two old friends, yeah

Of battle scars and lonely bars

And nights the rain wouldn't endHere's to withered eyes wearing gypsy smiles

And the day he listens

Here's to lovely ladies and a million miles

And the night she whispers

Ride the wind

Never coming back until I touch the midnight sun

Ride the wind

Never coming back again

Ride the wind

I'm still the bravest soul in sin, burning till the night is doneOf all the truths and lies

And stories of riders in the sky

Only the bravest try

Where eagles and angels dare to flyRide the wind

Never coming back until I touch the midnight sun

Ride the wind

Never coming back again

Ride the wind

Never coming back until I touch the midnight sunRide the wind

Never coming back again

Ride the wind

Never coming back until I touch the midnight sun

Ride the wind Never coming back again Ride the wind Never coming back until I touch the midnight sun
