

Timebomb (Steven Redant & Phil Romano Remix)

[Kylie Minogue](#)

Fast, time is ticking oh so fast
The sand is running quick right through our hands
Beat, feel the rhythm in my heartbeat
Why don't you move your body to my body
Before we disappear Tell me now, woo
Do you want to, want to, want to, woo
I want to, want to dance like it was the last dance of my life
I want to woo, want to, want to, want to, want to, woo
Do you want to, want to dance, like it was the last dance Wait, no, please don't make me wait
When walls are shaking, ground feels like it might break
It's not the end of the world
It's just the start of me and you, yeah
So let's just take the moment
Boy let's move
Tell me now, woo
Do you want to, want to, want to, woo
I want to, want to dance like it was the last dance of my life
I want to woo, want to, want to, want to, want to, woo
Do you want to, want to dance, like it was the last dance We're on a timebomb, it might not last
long
So let's just do it right now, do it come on
We're on a timebomb, before the night's gone
Let's just do it right now, do it come on, come on Wait, please don't make me wait
Wait, please don't make me wait Tell me now, woo
Do you want to, want to, want to, woo
I want to, want to dance like it was the last dance of my life
I want to woo, want to, want to, want to, want to, woo
Do you want to, want to dance, like it was the last dance
We're on a timebomb, it might not last long
So let's just do it right now, do it come on
We're on a timebomb, before the night's gone
Let's just do it right now, do it come on, come on
