

# Kiss You There

Ronnie Dunn

Sweating on a tractor in Oklahoma  
Sunset in a canyon in Arizona  
Midnight on the top of the Empire state  
In the middle of the traffic on the Golden Gate  
Standing in front of the Mona Lisa  
Chilling in Cabot with a Margarita  
On the roof of the Buckingham palace  
On the fifty yard line in Dallas

Oh-ooo-oh,

Oh-ooo-oh,I wanna kiss,

I wanna kiss you

I wanna kiss you there

You'll never know when I'll lay one on your lips

It could be anywhere,

I wanna kiss you there

Oh-ooo-oh,

Oh-ooo-oh,

Oh-ooo-oh,

Top of the wheel at the fair in Ohio  
Rolling in Vegas at the Grand Casino  
Taking a walk on the Wall of China  
Lying on a beach down in Carolina  
Throwing beads in the Old French Quarter  
Tijuana café on the Mexico border  
In Atlanta cruising on Peach street  
Rockin' Lower Broad in the music city

Oh-ooo-oh,

Oh-ooo-oh,I wanna kiss,

I wanna kiss you

I wanna kiss you there

You'll never know when I'll lay one on your lips

It could be anywhere,

I wanna kiss you there

Someday when you say "Yes" in a white dress

Baby looking like a princess

Nobody and their brother gonna stop me

In front of God and everybodyI wanna kiss,

I wanna kiss you

I wanna kiss you there

When you say "I do" I'll lay one on you

I wanna kiss you baby

I wanna kiss you thereI wanna kiss,

I wanna kiss you  
I wanna kiss you there  
You'll never know when I'll lay one on your lips  
It could be anywhere,  
I wanna kiss you there  
Oh-ooo-oh,  
Oh-ooo-oh.
