

He's Calling You

Donnie McClurkin

He's calling you, He's calling you
Tell me what are you going to do?
Your time has come for a life brand new
He is calling
You
He is calling
You There's a voice deep inside
You hear it and you cannot hide
Seems like after all you've tried
You're never satisfied
You softly heard Him call and say
You Promised that you'd change some day
Even if you run away, you still can't deny (oh)
Something's going on and it's real (oh)
Somehow deep inside you can feel (oh)
Remember when you said before
That you needed something more
Now it's time to realize
He's knocking at your door
Things that you used to do
Somehow don't appeal to you
Why would you deny that you
Don't want then anymore? (oh)
Listen to you heart and to your soul (oh)
And don't be afraid anymore
Say yes (yes) Please say yes (yes, oh yes) Say yes (yes)
He's is callin' callin' you (yes, oh yes)
Oh my brother, sing (yes)
Sweet sister, sing (yes)
Give in to him today (yes)
Oh, for a better life say (yes)
For a brighter future say (yes)
For a brand new life say (yes, oh yes)
For peace say (yes)
Greater love say (yes)
More joy say (yes, oh yes)
Oh, do you want your life to change (yes)
Do you want your life to change (yes)
Do you need your life to change tell him, yeah (yes, oh yes)
Say yes to Jesus, say (yes)
Yes to Jesus (yes)
Yes to life everlasting (yes, oh yes)

Yes to Jesus (yes) Yes, oh my Lord God (yes, oh yes)
Say yes to him (yes)
Oh, oh he loves you so (yes, oh yes)
Yes, he wants to give you better life (yes)
He wants to give you brighter days (yes)
Say yes to him (yes, oh yes)
Please say
Please say yeah (yes)
Say yeah, yeah, yeah (yes)
Yeah, yeah, oh my Lord (yes)
Oh my God
