

# Fake Magic (Gigamesh Remix)

[Peking Duk & AlunaGeorge](#)

I see you, you got all this stuff  
I feel you cause' it never looks like enough  
So give me it, I'll throw it away  
You don't use it, so you got nothing to say  
And I know that you want more  
But more of what?  
And you know that I want you  
To taste what I got  
But you know that it's not mine  
I just subscribe  
Even though that it comes free  
There's a price  
Honey, we don't need no fake magic  
I ain't being funny  
You can't buy this with paper or plastic  
Honey, money only buys you fake magic  
I ain't no phony  
I'll take you far away with no tricks  
Trust me there is more to see  
Believe me there is more that lays beneath  
The surface look into my pool  
This liquid can do more than cool you down  
Cool you down, cool you down, cool you down  
Honey, we don't need no fake magic  
I ain't being funny  
You can't buy this with paper or plastic  
Honey, money only buys you fake magic  
I ain't no phony  
I'll take you far away with no tricks  
With no tricks, with no tricks  
With no tricks, with no tricks  
Honey, we don't need no fake magic  
I ain't being funny  
You can't buy this with paper or plastic  
Honey, money only buys you fake magic  
I ain't no phony  
I'll take you far away with no tricks  
Honey, we don't need no fake magic  
I ain't being funny  
You can't buy this with paper or plastic  
Honey, money only buys you fake magic  
I ain't no phony  
I'll take you far away with no tricks  
Honey, we don't need no fake magic
