

# All for Me (feat. Metro Boomin)

## Belly

[Intro]

Southside on the Track, yeah  
Metro Boomin want some more nigga [Chorus]  
I can't find no time to rest (Rest)  
Cognac on my breath, all this molly I ingest (Ingest)  
Time that I invest, yeah  
You've been through it all (All)  
Right there when you call for me (Call for me)  
You knew that shit would fall  
You pull up and do it all for me (All for me)

[Verse]

Yeah, the drugs made us suffocate (Suffocate)  
Not quite as much as the love and hate (Love and hate)  
Down for whatever and up for a couple days  
When did you become this way?  
I guess I ruined you (Ruined you)  
Damn what the fuck did I do to you?  
The truth is it's nothing unusual (Unusual)  
At times the lie is more suitable (It's true)  
You're like flowers at a funeral (Funeral)  
No one could see you were beautiful (Beautiful)  
I know this life must be new to you (New to you)  
I can't say the feeling is mutual (Mutual)  
This shit getting old  
Half of these woman is missing they soul (Soul)  
I can't leave these bitches alone (Alone)  
Its like an addiction, this shit need some different control  
I might need a different approach

[Chorus]

I can't find no time to rest (Rest)  
Cognac on my breath, all this molly I ingest (Ingest)  
Time that I invest, yeah  
You've been through it all (All)  
Right there when you call for me (Call for me)  
You knew that shit would fall

You pull up and do it all for me (All for me) [Outro]

All for me

Ah, you Pull up and do it all for me (All for me)

All for me

Ah, you Pull up and do it all for me (All for me)

All for me

Ah, you Pull up and do it all for me (All for me)

Now I just can't get you off of me  
I've been, I've been drinkin', I've been smokin' on my own  
I've been doin' anything just to get back in my zone  
I got ten dollars left, I got drip, diamonds, ayy  
I got [?] I don't wanna make amends
