The Show Goes On

Lupe Fiasco

La-serAlright, already the show goes on All night, till the morning we dream so longAnybody ever wonder, when they would see the sun up Just remember when you come upThe show goes on! Alright, already the show goes on All night, till the morning we dream so long Anybody ever wonder, when they would see the sun up Just remember when you come up The show goes on! Have you ever had the feeling that you was being had Don't that shit make you mad They treat you like a slave, with chains all on your soul And put whips up on your back They be lying through they teeth Hope you slip up off your path I don't switch up I just laugh Put my kicks up on they desk Unaffected by they threats than get busy on they ass See that's how that Chi-Town made me That's how my daddy raised me That glittering may not be gold, don't let no body play me If you are my homeboy, you never have to pay me Go on and put your hands up, when times are hard you stand up L-U-P the man, cause a brand that the fans trust So even if they ban us they'll never slow my plans up! Alright, already the show goes on All night, till the morning we dream so long Anybody ever wonder, when they would see the sun up Just remember when you come upThe show goes on! Alright, already the show goes on All night, till the morning we dream so long Anybody ever wonder, when they would see the sun up Just remember when you come upThe show goes on! One in the air for the people that ain't here Two in the air for the father that's there Three in the air for the kids in the ghetto Four for the kids who don't wanna be there None for the niggas trying to hold them back Five in the air for the teacher not scared To tell those kids thats living in the ghettoThat the niggas holdin back that the World is theirs! Yeah yeah, the World is yours, I was once that little boy Terrified of the World

Africa to New York, Haiti then I detour, Oakland out to Auckland Gaza Strip to Detroit, say hip-hop only destroy Tell em' look at me, boy! So no matter what you been through No matter what you into No matter what you see when you look outside your window Brown grass or green grass Picket fence or barbed wire Never ever put them down You just lift your arms higher Raise em till' your arms tired Let em' know you're their That you struggling and survivin' that you gonna persevere Yeah, ain't no body leavin, no body goin' home Even if they turn the lights out the show is goin' on! Alright, already the show goes on All night, till the morning we dream so long Anybody ever wonder, when they would see the sun up Just remember when you come up The show goes on! Alright, already the show goes on All night, till the morning we dream so long Anybody ever wonder, when they would see the sun up Just remember when you come up The show goes on!
