

If Tomorrow Never Comes (feat. Etana)

Swiss

1:

Sometimes late at night,
I lay awake to watch her sleeping
She's lost in peaceful dreams,
so I turn out the lights and lay in the dark
And thought came to my mind
If I not awake in the morning
Will she ever doubt the way I feel
About her in my heart
If tomorrow never comes
Will she know how much I loved her
Did I try in every way, to show her everyday
That she's my only one
And if my time on earth were through
She must face this world without me
Is the love I gave her in the past
Gonna be enough too last
If tomorrow never comes2:
Cause I've lost love ones in my life
Never knew how much I loved them
Now I live with the regret
That my true feelings for them never worried me
So I made a promise to myself
To say each day how much he means to me
And avoid that circumstance
Where theres no second chance
to tell him how I feel
If tomorrow never comes
Will you know how much I loved you
Did I try in every way to show you everyday
That your my only one
And if my time on earth were
She gone face this world without
Is the love I gave you in the past
Will it be enough to last
If tomorrow never comes
So tell that someone that you love
Just what your thinking of
If tomorrow never comes
