

In a Haze

Total Ape

Now you gotta go, yeah I'm timeless
I get clue like the ice on my necklace
Got a big ego, I'm not tryna hide it
I'm a pretty boy, meet my boy, can you ride this?
Oh no, you caught me red-handed
Oh, you know I'm a cherry lipped bandit
Stealing cars, money, wings on me
Drive the streets like royalty I'm in a haze and I love it
Not just a phase, this is how I do
I'm in a haze and I love it
Got no regrets, this is what I wanna do
What I wanna do
What I wanna do Land of the lost, yeah this limbo
Riding in the back 'cause my life is that simple
Smoke this blunt while I'm getting so high
Spread your wings and I'll teach you how to fly Lean back it's the making of a classic
Can't say no 'cause you just gotta have it
I'll talk till I put you on a leash
My hands aren't dirty but my shoes aren't clean I'm in a haze and I love it
Not just a phase, this is how I do
I'm in a haze and I love it
Got no regrets, this is what I wanna do
What I wanna do
I'm in a haze and I love it
Not just a phase, this is how I do
I'm in a haze and I love it
Got no regrets, this is what I wanna do
What I wanna do
