

# Silver Wings (feat. Rufus Wainwright)

[Rosanne Cash](#)

Silver wings shining in the sunlight  
Roaring engines headed somewhere in flight  
They're taking you away and leaving me lonely  
Silver wings slowly fading from sight Don't leave me, I cried  
Don't take that airplane ride  
Then you locked me out of your life  
Left me standing here behind Silver wings shining in the sunlight  
Roaring engines headed somewhere in flight  
They're taking you away and leaving me lonely  
Silver wings slowly fading from sight Don't leave me, I cried  
Don't take that airplane ride  
Then you locked me out of your life  
Left me standing here behind  
Silver wings shining in the sunlight  
Roaring engines headed somewhere in flight  
They're taking you away and leaving me lonely  
Silver wings slowly fading from sight  
Silver wings slowly fading from sight
