In the Air Tonight

Nonpoint

I can feel it coming In the air tonight Oh lordAnd I've been waiting for this moment For all my life Oh lord, oh lordWell when you told me You were drowning I would not lend a handI've seen your face Before my friend But I don't know if you know who I amWell I was there And I saw what you did I saw it with my own two eyes So you can wipe off that grin I know where you've been It's all been a path of liesI can feel it coming In the air tonight Oh lordAnd I've been waiting for this moment For all my life Oh lord, oh lordWell I remember I remember Don't worryHow could I ever forget? It's the first time The last time We ever met But I know the reason why You keep me silenced up No you don't see me'Cause the hurt doesn't show But the pain still rolls No stranger to you and meI can feel it coming In the air tonight Oh lordAnd I've been waiting for this moment For all my life Oh lordI can feel it In the air tonight Oh lord, oh lordAnd I've been waiting for this moment For all my life Oh lord, oh lordI can feel it coming In the air tonight Oh lordAnd I've been waiting for this moment For all my life Oh lord, oh lord Song Discussions is protected by U.S. Patent 9401941.
