

# Last Show

## Reel Big Fish

This is the Last Show  
I will ever play with you  
this is the end of what you put me through  
the Last Show i will ever play with you  
this is the end of what we do...I don't want fame, I don't want money  
I just want to have fun again  
I don't want girls, or backstage parties  
I just want to feel like we're friends  
I think I've learned my lesson  
I think I've figured this whole thing out  
this is a fine profession  
but it's no fun  
so i'm done  
This is the Last Show  
I will ever play with you  
this is the end of what you put me through  
the Last Show i will ever play with you  
this is the end of what we do...I never thought I would hate music  
I never thought I would hate you  
but every day  
this feels more like a job i don't even want to do, well  
I think i've learned my lesson  
I'll never follow my dreams again  
I wont waste any more of your time  
so kiss my ass  
I won't be back  
This is the Last Show  
I will ever play with you  
this is the end of what you put me through  
the Last Show i will ever play with you  
this is the end of what we do...did we do it for the money?  
did we do it because we were bored?  
I was better off with what I had before  
and that was nothing  
that was nothing at all...This is the Last Show  
I will ever play with you  
this is the end of what you put me through  
the Last Show i will ever play with youThis is the Last Show  
I will ever play with you  
this is the end of what you put me through  
the Last Show i will ever play with youthhis is the last song  
this is the last line...

goodbye!
