

# Next Door to an Angel

Neil Sedaka

Do do do, doobie bop bop, oh do bop she don don  
Doobie bop bop, oh do bop she don don  
Doobie bop bop, oh do bop she don don  
Doobie bop bop, oh do bop she don don I'm living right next door to an angel  
And I just found out today  
I'm living right next door to an angel  
And she only lives a house away She used to be such a skinny little girl  
But all of a sudden she is out of this world  
I'm livin' right next door to an angel  
And I'm gonna make that angel mine Since I saw her this morning  
I'm on cloud number nine  
Found a garden of eden  
At the house next door to mine  
I took a look and oh what a shock  
To find a little bit of heaven right on my block  
I'm livin' right next door to an angel  
And I'm gonna make that angel mine I can't believe that this is the girl next door  
Her funny little face isn't funny no more  
Sixteen and oh what a dream  
Ain't it strange how she changed into such a lovely angel? Saw her walking down main street  
And I couldn't believe my eyes  
It used to be such a plain street  
But now it's paradise I'm feel so happy, I'm feelin' so good  
I'm the luckiest devil in the neighborhood  
I'm livin' right next door to an angel  
And I'm gonna make that angel mine  
Do do do, doobie bop bop, oh do bop she don don  
Doobie bop bop, oh do bop she don don  
Doobie bop bop, oh do bop she don don  
Doobie bop bop, oh do bop she don don  
Doobie bop bop
