The Wire

HAIM

You know I'm bad at communication, it's the hardest thing for me to do And it's said, it's the most important part that relationships will go through And I'd give it all away just so I could say that I know I know I know I know that you're gonna be OK anywayYou know there's no rhyme or reason for the way you turned out to be

I didn't go and try to change my mind, not intentionally

I know it's hard to hear me say it but I can't bear to stay and

I just know I know I know I know that you're gonna be OK anywayAlways keep your heart locked tight, don't let your mind retire, oh

But I just couldn't take it, I tried hard not to fake it

But I fumbled it when I came down to the wire

It felt great, it felt right, oh

But I fumbled it when I came down to the wire

It felt great, it felt right, oh

But I fumbled it when I came down to the wire

Does your imagination try to make you what you wanted to be

Because I'm sorry I do what I did, but it came naturally

And I gave it all away just so I could say that

Well I know I know I know I know that you're gonna be OK anywayWell I try to keep myself together, after all the opportunities

I try to stay true to you and try to do what you wanted for me

And I'd give it all away just to hear you say that

Well I know I know I know I know that you're gonna be OK anywayAlways keep your heart

locked tight, don't let your mind retire, oh

But I just couldn't take it, I tried hard not to fake it

But I fumbled it when I came down to the wire

It felt great, it felt right, oh

But I fumbled it when I came down to the wire

It felt great, it felt right, oh

But I fumbled it when I came down to the wire

Always keep your heart locked tight, don't let your mind retire

Always keep your heart locked tight, don't let your mind retire, oh

But I just couldn't take it, I tried hard not to fake it

But I fumbled it when I came down to the wire

But I just couldn't take it, I tried hard not to fake it

But I fumbled it when I came down to the wire

It felt great, it felt right, oh

But I fumbled it when I came down to the wire

It felt great, it felt right, oh

But I fumbled it when I came down to the wire

It felt great, it felt right, oh

But I fumbled it when I came down to the wire

It felt great, it felt right, oh But I fumbled it when I came down to the wireIt felt great (It felt right) It felt great (It felt right) It felt greatBut I fumbled it when I came down to the wire
