

# No Lie (KREAM Remix)

Michael Calfan & Martin Solveig

You can't look me in the eye  
You can't even  
Act like you believe your own story  
Answering questions with questions Swear it's all the truth  
You swear it is  
But tell me why are you so defensive?  
All this cheap talk is expensive If you gotta hurt me  
Don't take me for a fool  
Just hurt me  
I deserve that from you  
If you gotta hurt me  
By telling me the truth  
Then hurt me  
Don't love me, don't love me with a lie  
No lie  
One lie turning  
No lie  
No lie  
Nothing left to lose  
And  
No lie  
Know you feel it  
No lie  
Stop tryna fake it  
No lie  
Don't love me, don't love me with a lie Don't love me, don't love me with a lie  
No lie  
One lie turning  
No lie  
No lie  
Nothing left to lose  
Don't love me, don't love me, no  
Don't love me, don't love me with a lie  
Don't love me, don't love me, no, no If you're playing in the dirt  
Won't come out clean  
Now that you are being confronted  
Won't you just keep it one hundred? Baby, be upfront  
Keep nothing back, no lie  
One lie turning into another  
Honestly I thought you were better If you gotta hurt me  
Don't take me for a fool  
Just hurt me

I deserve that from you  
If you gotta hurt me  
By telling me the truth  
Then hurt me  
Don't love me, don't love me with a lie No lie  
One lie turning  
No lie  
No lie  
Nothing left to lose  
And  
No lie  
Know you feel it  
No lie  
Stop tryna fake it  
No lie  
Don't love me, don't love me with a lie Don't love me with a lie  
Don't love me with a lie No lie  
One lie turning  
No lie  
No lie  
Nothing left to lose  
And  
No lie  
One lie turning  
No lie  
No lie  
Nothing left to lose Don't love me, don't love no  
Don't love me, don't love me with a lie  
Don't love me, don't love me, no no  
Don't love me with a lie
