

# Culture (feat. DJ Khaled)

## Migos

They try to play us, they play themselves  
(808 Mafia) This the intro  
For all you fuckboys that ever doubted the Migos  
You played yourself! (Another one)  
Fuckboy, bow down Spin off in the coupe, typhoon (skrt skrt)  
I act an ass, baboon  
Wrappin' that dope, cocoon  
Young rich nigga in the room  
Finesse a nigga, no raccoon  
Spendin' M&M's in June  
Took a trip to Cancun  
CULTURE album comin' soon (Another one) Yeah, I bought the Benz off the lot  
Just to give your ho a lift  
I'm havin' the sauce in the refrigerator  
Just make sure you bring the chips  
Ayy, it's a fuck nigga in the back  
Just look at him, look at him plot  
He prolly think it's a club light  
But really it's the red dot  
Fucked a bitch and hit the lot  
Nigga fumblin' with the pot  
I broke my wrist in the pot  
Hit the block, brought back a knot  
JJ Watt is on the block (woop woop)  
Kept me runnin' from the cops  
Don't buy the car, we want the lot (skrt skrt)  
I need everything in stock  
Act pints in the attic  
Pussy niggas puttin' on an act (act)  
Fucked the bitch and broke her back  
I fucked the bitch and gave her back  
Thumbin' through a hundred  
Thumbin' through a hundred racks  
Know you ain't one hundred  
Your chain might get snatched  
I wanna whip up some pies today  
How many niggas gon' ride today?  
How many niggas gon' slide and grab on they nine  
When I say it's time to slay?  
Jump in the crowd and get live today  
Heard you talkin' through the wire today  
I'ma pull up with that fire, aim at his eye

I bet he gon' die today  
Yeah, screw that lil' tip on that dirty lil' Uzi (yeah)  
I put a seven in a thot coochie (yeah)  
Niggas get money, don't know how to use it (yeah)  
I whipped up the babies, Harambe, abused it  
The value went up in the stocks  
Tired of runnin' from the cops (12)  
Pourin' lean on the rocks (mud)  
Mink fur, that's a fox (vrrt)  
Quarter million in the vault (quarter K)  
I'ma let the semi talk (whole K)  
Now he swimmin' with the dolphins  
Perky got me feelin' nauseous  
Don't come around with the nonsense (uh-uh) CULTURE  
How the fuck you fuckboys ain't gon' act  
Like Migos ain't reppin' the culture?  
They rep the culture from the streets  
Fuckboy, bow down  
CULTURE album soon come  
Another one Spin off in the coupe, typhoon (skrt skrt)  
I act an ass, baboon  
Wrappin' that dope, cocoon  
Young rich nigga in the room  
Finesse a nigga, no raccoon  
Spendin' M&M's in June  
Took a trip to Cancun  
CULTURE album comin' soon (Another one)
