

# Disappointed

## Death Grips

Wah, wah, wah, wah, wah, wah, wah, wah, disappointed  
Wah, wah, wah, wah, wah, wah, wah, wah, disappointed  
Wah, wah, wah, wah, wah, wah, wah, wah, disappointed  
Wah, wah, wah, wah, wah, wah, wah, wah, disappointed  
Called shots, cheap shots, slack jaws,  
low blows  
Weak chins, chin checked, chin up like cholos  
No life signs left, ah, yes, try mine  
This thresh hold thresh, hold stretch, life times  
Machine, human, malformed machine  
Uninformed unit, forlorn regime  
Metamorph me into done for at last  
At least until my present shore has passed  
Why me? Why me?  
Why me? Why me?  
Why me?  
Wah, wah, wah, wah, wah, wah, wah, wah, disappointed  
Wah, wah, wah, wah, wah, wah, wah, wah, disappointed  
Wah, wah, wah, wah, wah, wah, wah, wah, disappointed  
Wah, wah, wah, wah, wah, wah, wah, wah, disappointed  
Nut job, no job, fuck jobs, not hired  
Low lands, road rash, war path, crossfire  
Nonthreats, hot mess, known threats, stalk less  
Talk less, show less, snatch yours trap doors  
Ripper, ripper, skin tight, too tight  
Too tight, holding solid, moonlight, moonlight  
Moonlight, kevlar coated slit moon, lunar gush  
Lunar gush, carry on carrion never been far enough  
Hocus breaking in and centering  
Broke in and gave up on everything, everything  
Why me?  
Why me? Why me?  
Why me? Why me?  
Wah, wah, wah, wah, wah, wah, wah, wah, disappointed  
Wah, wah, wah, wah, wah, wah, wah, wah, disappointed  
Wah, wah, wah, wah, wah, wah, wah, wah, disappointed  
Wah, wah, wah, wah, wah, wah, wah, wah, disappointed  
Rot clot, corpse clutch, corpse clot,  
your husk  
Scorned husk, born shook, torn trick, core breached  
Shook, fuck, shit head, bitch, too short street  
Shut, fuck up or fed, both, you're-Disappointed
