

# Alternative Ulster

## Stiff Little Fingers

There's nothin' for us in Belfast  
The Pound's old and that's a pity  
OK, there's the Trident in Bangor  
And then you walk back to the city  
We ain't got nothin' but they don't really care  
They don't even know you know  
They just want money  
And we can take it or leave it  
What we need is

(Chorus:)

An Alternative Ulster  
Grab it and change it it's yours  
Get an Alternative Ulster  
Ignore the bores and their laws  
Get an Alternative Ulster  
Be an anti-security force  
Alter your native Ulster  
Alter your native land Take a look where you're livin'  
You got the Army on the street  
And the RUC dog of repression  
Is barking at your feet  
Is this the kind of place you wanna live?  
Is this where you wanna be?  
Is this the only life we're gonna have?  
What we need is  
(Chorus) They say they're a part of you  
And that's not true you know  
They say they've got control of you  
And that's a lie you know  
They say you will never be
