

I Ain't Superstitious (feat. Jonny Lang)

Santana

Well, I ain't superstitious
But a black cat 'crossed my trail
No, I ain't superstitious
But a black cat 'crossed my trail Bad luck ain't got me too far
I won't let it stop me now, no, no Well, the dogs began to bark
All over my neighborhood
Ooh, the dogs began to bark
All over my neighborhood
It's a mean old world to live in
I can't face it by myself at all Oh, yeah
Oh, yes I will Well, the dogs began to bark
All over my neighborhood, yeah, yes
Well, the dogs began to bark
All over my neighborhood I got a feeling 'bout the future
And I know it ain't too good Well, I ain't superstitious
But a black cat 'crossed my trail
I know I ain't superstitious
But a black cat 'crossed my trail Bad luck ain't got me too far
Ain't gonna let it stop me now, oh, no, no, no, no
And I know it ain't good, yeah
This can't be good, no, no
Oh, no, sinner you said it here, ooh yeah
Alright, alright, alright
