

# Total Eclipse of the Heart (Instrumental Version)

Bonnie Tyler

(Turn around) Every now and then I get a little bit lonely  
And you're never coming 'round  
(Turn around) Every now and then I get a little bit tired  
Of listening to the sound of my tears  
(Turn around)  
Every now and then I get a little bit nervous  
That the best of all the years have gone by  
(Turn around) Every now and then I get a little bit terrified  
And then I see the look in your eyes  
(Turn around, bright eyes!) Every now and then I fall apart  
(Turn around, bright eyes!) Every now and then I fall apart  
(Turn around) Every now and then I get a little bit restless  
And I dream of something wild  
(Turn around)  
Every now and then I get a little bit helpless  
And I'm lying like a child in your arms  
(Turn around)  
Every now and then I get a little bit angry  
And I know I've got to get out and cry  
(Turn around)  
Every now and then I get a little bit terrified  
But then I see the look in your eyes  
(Turn around, bright eyes!) Every now and then I fall apart  
(Turn around, bright eyes!) Every now and then I fall apart  
And I need you now tonight  
And I need you more than ever  
And if you only hold me tight  
We'll be holding on forever  
And we'll only be making it right  
Cause we'll never be wrong  
Together we can take it to the end of the line  
Your love is like a shadow on me all of the time  
I don't know what to do and I'm always in the dark  
We're living in a powder keg and giving off sparks  
I really need you tonight  
Forever's going to start tonight  
Forever's going to start tonight  
Once upon a time I was falling in love  
Now I'm only falling apart  
There's nothing I can do  
A total eclipse of the heart  
Once upon a time there was light in my life  
But now there's only love in the dark

Nothing I can say  
A total eclipse of the heart(Turn around, bright eyes)  
(Turn around, bright eyes)Turn around, every now and then I know you'll never be the boy you  
always wanted to be  
Turn around, every now then I know you'll always be the only boy who wanted me the way that  
I am  
Turn around, every now and then I know there's no one in the universe as magical and  
wondrous as you  
Turn around, every now and then I know there's nothing any better  
And there's nothing that I just wouldn't do  
Turn around bright eyes, every now and then I fall apart  
Turn around bright eyes, every now and then I fall apartAnd I need you now tonight  
And I need you more than ever  
And if you only hold me tight  
We'll be holding on forever  
And we'll only be making it right  
Cause we'll never be wrongTogether we can take it to the end of the line  
Your love is like a shadow on me all of the time  
I don't know what to do and I'm always in the dark  
We're living in a powder keg and giving off sparksI really need you tonight  
Forever's going to start tonight  
Forever's going to start tonightOnce upon a time I was falling in love  
But now I'm only falling apart  
Nothing I can say  
A total eclipse of the heart  
A total eclipse of the heart  
A total eclipse of the heart  
Turn around bright eyes
