Nobody's Supposed to Be Here

Deborah Cox

How did you get here? Nobody's supposed to be here I've tried that love thing for the last time

My heart says no, no, nobody's supposed to be here

But you came along and changed my mindI've spent all my life on a search to find

The love who'll stay for eternity

The heaven sent to fulfill my needs

But when I turn around

Again love has knocked me down

My heart got broken oh, it hurt so bad

I'm sad to say, "Love wins again"So I placed my heart under lock and key

To take some time and take care of me

But I turn around and you're standing here

How did you get here? Nobody's supposed to be here

I've tried that love thing for the last time

My heart says no, no, nobody's supposed to be here

But you came along and changed my mindThis time I swear I'm through but if only you knew

How many times I've said those words

Then fall again, when will I ever learn?

Knowing these tears I cry, this lovely black butterfly

Must take a chance and spread my wings

Love can make you do some crazy thingsSo I placed my heart under lock and key

To take some time and take care of me

But I turn around and you're standing hereHow did you get, how did you get here?

Nobody's supposed to be here

Nobody, no, no, no, no, no, no, no, no, no

How did you get here? Nobody's supposed to be here

I've tried that love thing for the last time

My heart says no, no, nobody's supposed to be here

But you came along and changed my mind

How did you get here? Nobody's supposed to be here

I've tried that love thing for the last time

My heart says no, no, nobody's supposed to be here

But you came along and changed my mind
