

Night Like This (Dyro Mix) [feat. Polina]

Laidback Luke & Angger Dimas

Darkness awaits.
lets break the silence
we got what it takes
to go the distance feels like a dream
awwwwwawwwawwi will give my kingdom for a kiss
lets get lost in the bliss
i could lie here forever my kingdom for a kiss
together we can miss
i could die for a night like this dieeee for a night like this
a night like this
dieeee for a night like this
a night like this progressively my kingdom for a kiss
lets get lost in the bliss
i could lie here forever my kingdom for a kiss
together we can miss
i could die for a night like this dieeee for a night like this
a night like this dieeee for a night like this
a night like this elcetroo sound.
dieee
for a night like this
a night like this this... (wears off) build up darkness. awaits
lets break the silence we got what it takes
to go the distance feels like a dream
awww
i will give my kingdom for a kiss
lets get lost in the bliss
i could lie here forever my kingdom for a kiss
together we can miss
i could die from a night like this dieeee
for a night like this
a night like this this
this
this a night like this.
a night like this. dieee
for a night like this
a night like this dieee
for a night like this
a night like this a night like this
a night like this
