## Laidback Luke & Angger Dimas

Darkness awaits.  
lets break the silence  
we got what it takes  
to go the distance feels like a dream  
awwwwwawwwawwi will give my kingdom for a kiss  
lets get lost in the bliss  
i could lie here forever my kingdom for a kiss  
together we can miss  
i could die for a night like this dieeee for a night like this
