

Revolution

Starfield

Verse 1 If I'm here all alone, if I'm left behind.

If they spit in my face, if they hate my kind.

I will rise above, I will live for love, I will answer to the call.

For the bond between, for the depth unseen,

For my God forsake it all. Chorus: 'Cause I'm a fire, I'm a flood, I'm a revolution (revolution)

I am a war,

already won

I'm a revolution (revolution) yeah...
