

# Really Love

## D'Angelo and The Vanguard

Si, me amas? Yo te quiero mucho. Todo el tiempo que pasamos. Lo que te quería decir es que...  
tu estas jodiendome la vida. \*Laughs\* Yo no quería pelear contigo. Yo solamente te quería  
amar. Pero tu eres muy celoso. Querías ser mi dueño. Pero yo soy libre. Quieres ser mi rey? Yo  
tu reina? No sé si confío en ti. Pero yo te quiero mucho."When you call my name

When you love me gently  
When you're walking near me  
Doo doo wah I'm in really love with you  
I'm in really love with you When you look at me  
I open up instantly  
I fall in love so quickly  
Doo doo wah I'm in really love with you  
Doo doo wah I'm in really love with you  
I'm in really love with you  
All night beside you I'd lay  
I love you deep when you come to my bed  
Doo doo wah, I'm in really love with you  
Ooh wah, I'm in really love with you  
I'm in really love with you When you touch me there  
When you make me tingle  
When our nectars mingle  
Doo doo wah, I'm in really love with you, I'm in really love  
I'm not an easy man, to overstand, you feel me  
But girl you're patient with me  
Doo doo wah, I'm in really love with you  
I'm in really love with you  
All night I wish for you here  
Lay your head beside my hip  
Doo doo wah, I'm in really love with you  
I'm in really love with you  
Doo doo wah, I'm in really love with you  
I'm in really love with you  
Oh how I love the little things you do  
I'm in really love with you
