

Made in the USA

Demi Lovato

Our love runs deep like a Chevy,
If you fall I'll fall with you baby
'Cause that's the way we like to do it
That's the way we like You run around open doors like a gentleman
And tell me, "Girl, every day you're my everything."
'Cause that's the way you like to do it
That's the way you like Just a little West Coast, and a bit of sunshine
Hair blowing in the wind, losing track of time
Just you and I, just you and I
Whoa, whoa
No matter how far we go
I want the whole world to know
I want you back, and I won't have it any other way
No matter what the people say
I know that we'll never break
'Cause our love was made, made in the USA
Made in the USA, yeah You're always reading my mind like a letter
When I'm cold, you're there like a sweater
'Cause that's the way you like to do it
That's the way you like I'll never ever let the world get the best of you
Every night we're apart, I'm still next to you
'Cause that's the way I like to do it
That's the way I like
We touch down on the east coast
Dinner on the sky rise
Winter is the best time for walking on the city lights
You and I, you and I
Whoa, whoa No matter how far we go
I want the whole world to know
I want you back, and I won't have it any other way
No matter what the people say
I know that we'll never break
'Cause our love was made, made in the USA 'Cause baby I'll bite the bullet
And take the blows for love
Whoa oh oh, our love was made in the USA
Made in the USA, made in the USA No matter how far we go
I want the whole world to know
I want you back, and I won't have it any other way
No matter what the people say
I know that we'll never break
'Cause our love was made, made in the USA
Made in the USA, yeah
