

# Old Man

Chris Knight

Got a old horse  
Run loose on the farm  
Like a big dog  
Don't do no harm And I live down  
A dead end track  
Me and my horse  
And them chickens out back Raised five kids  
They've all up and gone  
Came up rough  
Not a one went wrong When the old woman died  
They scattered in the wind  
And I never know  
When I'll see em again  
I'm an old man  
Done all I can  
I been working this land  
Since I was 24 I'm an old man  
Ain't a whole lot going on  
Around here anymore Had an old dog  
Lived 15 years  
Train got his leg  
Coon got his ear He loved to hunt  
He loved to fight  
The way I used to be  
On Saturday night  
I'm an old man  
Done all I can  
I been working this land  
Since I was 24 I'm an old man  
Ain't a whole lot going on  
Around here anymore I still work  
A good half a day  
Plant a little corn  
Cut a little hay Don't want a-die  
Until I've lived too long  
They'll sell this place  
Whenever I'm gone I miss my sweetheart so  
And they way she used to smile  
I miss them kids of mine  
Runnin' wild When daylight fades  
In late afternoon  
'Bout all I know is

It was gone to soon I'm an old man  
Done all I can  
I been working this land  
Since I was 24 I'm an old man  
Ain't a whole lot going on  
Around here anymore Ain't a whole log goin on  
Around her anymore  
Ain't a whole lot going on  
Around her any more
