

# United Kids of the World (feat. Krewella)

## Headhunterz

Heres for the ones who are quiet and hide  
Here's to the ones that just keep it inside.  
We could be the ones that are leaving the fight,  
Lighters that guide us trough darkness and night.  
We could be the voice when there's no way to cry,  
Let it all out, cause now is our time.All the things we never say,  
We can say today.  
The love we had to borrow,  
We can spend tomorrow.  
If we don't surrender,  
We'll be young for ever.  
Say 'We are', 'We are' .  
(United kids of the world!)  
Rise if you haven't been heard.  
(United kids of the world!)  
Say 'We are', 'We are' .  
nana na na na ...  
Say 'We are', 'We are' .  
nana na na na ...United kids of the world!This one's for you if they tell you you're wrong,  
This one's for those who don't think they belong.  
Just don't give a fuck come one do what you want!  
Let it all out, cause this is our song.All the things we never say,  
We can say today.  
The love we had to borrow,  
We can spend tomorrow.  
If we don't surrender,  
We'll be young for ever.  
Say 'We are', 'We are'  
(United kids of the world!)  
Rise if you haven't been heard.  
(United kids of the world!)  
Say 'We are', 'We are'  
(United kids of the world!)  
Shout out if your feeling hurt!  
Say 'We are', 'We are'  
(United kids of the world!)  
nana na na na ...  
Say 'We are', 'We are' .  
nana na na na ...  
Say 'We are', 'We are' .  
(United kids of the world!)  
Shout out if your feeling hurt!

Say 'We are', 'We are' .
