

Make Your Own Kind of Music

Paloma Faith

Nobody can tell ya
There's only one song worth singin'
They may try and sell ya
'Cause it hangs them up to see someone like you But you've gotta make your own kind of music
Sing your own special song
Make your own kind of music
Even if nobody else sings along You're gonna be knowing
The loneliest kind of lonely
It may be rough goin'
Just to do your thing's
The hardest thing to do
But you've gotta make your own kind of music
Sing your own special song
Make your own kind of music
Even if nobody else sings along So if you cannot take my hand
(Take my hand)
And if you must be goin', I will understand 'Cause you've gotta make your own kind of music
Sing your own special song
Make your own kind of music
Even if nobody else sings along
You've gotta
Make your own kind of music
Sing your own special song
Make your own kind of music
Even if nobody else sings along Sing with me! Sing along Sing along
